Sir Knights,

Again I have the pleasure of addressing you. I hope this communication finds you and your families well. November has proven to be a good month in the Fort Wayne York Rite. We had the privilege of participating in the Order of Temple with our Brethren from Huntington Commandery. We here at Fort Wayne Commandery #4 wish to extend our gratitude to Huntington Commandery for their fellowship and their hospitality. Well done Sir Knights.

I have received some correspondence from Sir Knight Ed Snyder in regards to the Estey pipe organ project. The organ is in running condition and is coming along nicely thanks to the efforts of the organ committee. Upon opening my Email I had received video links to the Estey pipe organ. After watching the videos I found myself impressed to say the least. I recommend that everyone should watch the video to gain an appreciation for the work and dedication committee members have given to get the project to this point. The video can be watched in its entirety at this link, [Estey2525.com](http://Estey2525.com). I am quite impressed by this video as I am sure you will be as well. In regards to the organ I am also proud to announce that Sir Knight Paul Martin has been named the official organist for the Fort Wayne York Rite.

I strongly urge all Sir Knights to go to our website at [www.fortwayneyorkrite.com](http://www.fortwayneyorkrite.com) to keep updated on upcoming events or just to browse. It is a fantastic website that has something of interest to everyone. I especially enjoyed the live fire of the 1857 Napoleon Cannon in the links section, it's a hoot!

As my year as Commander nears its end I personally wish to thank all the Sir Knights of Fort Wayne Commandery #4 for their help and participation in this past year. I also wish to thank those Sir Knights who when called upon always rose to the occasion with enthusiasm and zeal, ever at the ready to assist anyway they could. Gentleman it is an honor to call you brothers.

In closing Sir Knights I wish you all the best this upcoming holiday season. I urge you to spend time with your families. Make charity and brotherly love a priority this Christmas. Reach out to those less fortunate if you are able. Walk with a renewed interest in your fellow man and demonstrate that same loving kindness to others, just as our Heavenly Father has shown us, for therein lies the way that we change the world.

Thank you, and God bless you all.

Fraternally

Rick L. Carroll  
Commander
