Sir Knights,

Greetings, I hope that everyone's summer is going well and you have had the opportunity to spend time with family and friends, especially since it seems that we may be out of the heat wave.

I would like to pass on some important dates to everyone that are coming up fast for us to keep in mind for the coming month. First is the two day degree work that Fort Wayne Commandery will be hosting. The dates are September 22nd and 29th, the last two Saturday's in the month. The degree work is open to any York Rite Body that may have candidates needing to obtain the York Rite degrees. Once the times and schedule are set that information will be passed on to everyone.

On October 27th Fort Wayne Commandery will be hosting the first Battalion Inspection. The luncheon will be at noon, then we will convene to the 5th floor for the Inspection. During the Inspection a Ladies Program will be presented. In talking with the Battalion Commander Kurt Begue, the other Commanders and members of Battalion III we are looking forward to a very productive day with all the Commanderys working together.

Finally, I wish to express my deepest thanks to all that were involved with making the reception for our Right Eminent Grand Commander Bobby J. Roberts a great success. The food was excellent and all those who attended had a good time. It was an honor to have the reception at Fort Wayne for our Right Eminent Grand Commander and to share the day with all the distinguished guests, family and friends that attended. I want to thank all the members of Fort Wayne Commandery, who without their help made this event possible.

With Summer slowly slipping away and the days of Autumn approaching I wish all of you nothing but the best in the coming months, and always please keep in mind the members and their family members who are in need of our prayers. Take care and God bless.

Fraternally,
Tyson Howenstine
